

REALSTUFF DUO DENSITY DONG 9INCH

This dildo is ultra-lifelike with a glans, veins and scrotum and is made of non-toxic PVC that does not smell. A special feature of this dildo is the Duo Density, which means that the dildo is soft on the outside and firm on the inside. This makes the experience very realistic. The super realistic dildo has a straight shaft design. Thanks to the strong suction cup base it will stick firmly to any flat smooth surface enabling hands free and solo play. The size of 9 inch (22.9 cm) is pretty large and suitable for users who know they like it big.

The RealStuff label brings you lifelike products, all made with an eye for detail, all with the DreamToys quality and at affordable prices. This collection features realistic masturbators, dildos and vibrators, made for experiences that are even better than the real thing. Value for money for maximum pleasure.
