PURRFECT SILICONE DELUXE RABBIT PINK

This 7.5 inch rabbit vibrator delivers 10 different vibration patterns that can be operated with a single button, indicated with LED light. The Duovibe toy is waterproof so you can enjoy masturbation and clit stimulation in the shower or in the bath tub.

The Purrfect Silicone collection consists of vibrators, dongs and dildos in pink, purple, red, orange, black, white and skin colour. Each of the toys is made of excellent silicone that is body safe and does not smell. Featuring attractive designs and high quality technology, the Purrfect Silicone collection is a great addition for each store that wishes to offer its customers great value for money.
