ROYAL FANTASIES ASTERIA

The Asteria is an and elegant vibrator made of soft silicone and ABS, with a shiny metallic look base. The smooth shaft has a slightly flexible tip and a curved shape, which is great for G-spot stimulation. A special feature of this vibrator is Dual Density, which means that the core is hard and the outside of the vibrator is softer. This makes the toy feel like it's the real thing. The powerful motor offers 3 levels of steady vibration and 7 different rhythms. Press and hold the power button to turn the unit on/off. Press again to switch program.
