

GP DATEX DRESS RED

Every woman looks like a diva in this wide flared dress from the Guilty Pleasure Fetish Wear collection, made of shiny red Datex. The skirt part is short at the front and gradually becomes longer towards the back side of the dress. The deep V-neck and the long sleeves have subtle black accents along the edges. The tight body part and the puffed sleeves give this dress a stunning and elegant look. The red dress closes on the back with a zipper.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
