

GP DATEGX ARMY DRESS GREEN

The Guilty Pleasure Datex army dress, of course in the army colour khaki, has a black panel around the waist, black cuffs at the short sleeves and extra seams that give the dress the right shape to fit tightly to the body. The army dress closes with a 2-way zipper all over the front side. The rank stripes complete the military appearance of this Datex dress, that appeals to anyone with a fetish for uniforms. Ideal for role play with its irresistible shiny and tight latex look.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
