LET'S PLAY TOGETHER

Are you ready to unleash the playful passion within yourselves and each other? This Let's Play Together Pleasure Box invites the both of you on a journey of sensual discovery, bringing your naughty fantasies to life.

Within this Pleasure Box for Two, you'll find a thoughtful selection of beginner-friendly toys and accessories for couples. Whether you're down to spice things up or just want to add some extra fun and romance, this box includes everything you need to (re)flame the candle.

This little catalogue will guide you through every step, providing you information about the items, an extensive manual, and – of course – tips and tricks.

As much as we loved making it, we hope you'll love it even more.

DONUT COCKRING

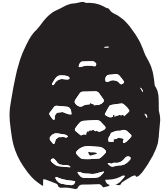

The cock rings consist of 3 different sizes.
Slide that fits best around the semi-erect penis.

The cockrings can be used in several ways. You can put one on just the penis, or one on the balls as well. You decide what you like most.

Wearing a cockring has several benefits, such as maintaining an erection for longer and increasing the sensitivity and intensity of the orgasm.

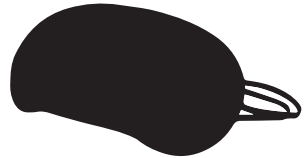

MASTURBATOR EGG

A masturbation egg is the ideal way to enjoy yourself. Put some lubricant in the egg and on the penis. Place the egg around the penis and let the structure of the egg slide along the skin. This egg has 2 different structures so you can also use the egg inside out. Of course you can also use the egg with a partner. After use, clean it with warm water.

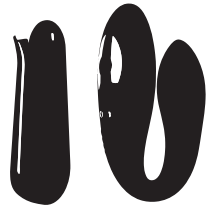

The egg is made for several times of use, if you are not too enthusiastic with it. After about five uses they have had their best time.

EYE MASK

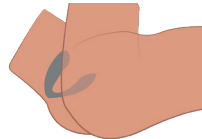

Trigger your sense of touch by putting on the eye mask. Receiving a massage or oral sex without vision can feel much better and more intense with a eye mask. Another advantage: wearing a eye mask makes you less likely to feel ashamed and makes it easier to indulge in sex.

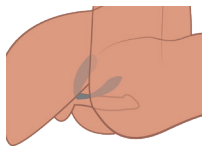

C-SHAPE COUPLES VIBE WITH REMOTE

1. Apply a generous amount of water-based lubricant to the smaller part.

2. Gently insert the smaller part into the vagina, making sure the upper part rests on the clitoris.

3. Now the penis can join the toy. Explore together to find the positions, vibrations, and movements that bring you the most pleasure.

ROSE PETALS

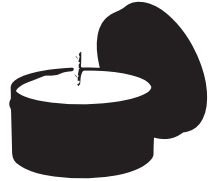

What is more romantic than a bedroom full of rose petals?

Sprinkle the rose petals all over the bed, or arrange them in a heart shape or a short, sweet word. If your partner hasn't come home yet, you can also surprise them with a path of rose petals to the bedroom. For some extra romance you can light some candles and start things off with a sensual massage.

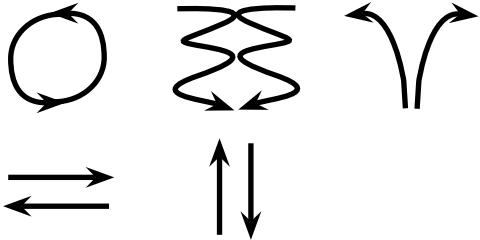

Well, that is your answer to the question above.

MASSAGE CANDLE SENSUAL SCENTS

Get in the mood by lighting the candle. Once a small layer of oil has melted, you can blow out the candle. Let it cool slightly and pour it on the skin. Let's get started!

Tips:
Make different patterns on the skin. See on the right for examples.

BONDAGE RIBBON

With the bondage ribbon you can tie the ankles and/or wrists together. The material feels soft on the skin. You can also use the ribbon as a blindfold. Take turns spoiling each other.

VELVET BAG

It's best to keep your toys in a bag. Store each toy separately to prevent damage. While materials like jelly, rubber, and latex are safe for use on and in your body, they can react with each other. This may result in melting or deformation.

It's also important to never store your toys in a warm place, for example under a device that may emit heat. Bacteria become very enthusiastic about this.

ALL PLEASURE BOXES

After experiencing the excitement and satisfaction of this pleasure box, it's a tempting idea to explore what other boxes have to offer. Each pleasure box can contain a unique composition of sex toys and accessories, aimed at different aspects of pleasure.

By trying out different boxes, you can discover new experiences that may enrich your sexual life. Whether it's a box focused on her, him, kinky play or going anal, each box offers a unique journey. Switching and mixing the different boxes add pleasure to your sex life, keeping it fresh and exciting.
