

GP DATEX ZIP UP FRONT DRESS

This Datex mini dress in bright yellow has adjustable spaghetti straps and a front zipper that opens from the top down. The back of this mini dress is longer than the front and has a walking slit. An eye catching dress from the Guilty Pleasure Fetish Wear collection.

Datex is a revolutionary material made of natural rubber latex, printed on an elastic knitted fabric. The result is a very stretchable material with the looks and touch of latex on the outside and the softness and comfort of the stretchy fabric on the inside.

Datex is comfortable to wear, it has that exciting look of latex, but not the disadvantage of being sticky and sweaty. It is easy to put on or take off without any additional dressing aids or conditioners. Datex provides great comfort, softness and flexibility, and at the same time the fetish look and touch that make latex so unique and appreciated.
